

WOODLANDS SCHOOL

3rd December 2020

Dear Parents and Carers

Operating under new Tier system

I hope you and your families are managing to stay safe and well, and can I thank you all for the support you have shown to us during these incredibly difficult times.

As Shropshire has now moved into tier 2, I just wanted to remind you;

- Pupils in Year 7 and above must continue to wear face coverings in taxis – this is now the law, and only people with an exemption certificate can travel without wearing a face covering

As there are now only two weeks to Christmas, it is perhaps even more important than ever that we are as vigilant as possible – I'm sure nobody want to be in isolation over the festive period, so if pupils have any symptoms, please do not send them into school. Testing is easily and widely available, so please get tested. We also have home test kits available which we can send. Please keep us informed if any members of your household have symptoms or test positive, as we are in daily contact with public health.

If you have any questions or concerns, please do not hesitate to get in touch.

Thank you for your ongoing support

Yours sincerely

Jules Taylor
Headteacher
